We currently have one ongoing fatality review, but we do not have any recommendations yet since it is not complete. We will resolve this one in 2022. All meetings were put on hold due to COVID after March 2020 and then postponed due to the Solicitor's maternity leave. Due to the statute requirements that materials must stay confidential and in the possession of the Solicitor's office, we could not do Zoom or WebEx meetings as the members would not have access to the materials because there is no way for us to e-mail them out and get them back to guarantee compliance with the statute.

<p>The pandemic has posed many challenges for our team. We are currently in the process of retooling how we go about choosing our cases. Also, there is concern by some team members that recommendations are being made, but no progress on a statewide basis is achieved.</p>
