DIVERSION/INTERVENTION & TREATMENT PROGRAMS QUICK GUIDE 2022

The 2022 Quick Guide lists all **diversion/intervention and treatment programs** offered by the South Carolina Offices of Circuit Solicitor. These programs are offered to defendants as **alternatives to traditional criminal prosecution**. Upon successful completion of a program, related charges are dismissed and may be eligible for expungement. Defendants may participate in each diversion/intervention and treatment program once. Defendants may not participate in the same program more than once. Program eligibility is subject to solicitor discretion. **For more information, visit <https://scprosecutors.com/solicitors/diversion/> or contact a Circuit Director of Diversion Programs listed below.**

Not all crimes are eligible for PTI, TEP, and AEP. The statutes governing each program should be reviewed for eligibility requirements and restrictions. Persons with a significant criminal history are not eligible for PTI or AEP. A prior alcohol-related offense history renders a person ineligible for AEP, and a significant history of traffic offenses renders a person ineligible for TEP.
